Quorum (Regular Voting Members, ÷ 2, + 1)

Next Quorum: 12

Total Home Groups Represented at Roll Call: 22

Voting Participation (number of groups able to cast vote): 22

Simple Majority (51% of this month's voting participation): 12

Open Forum:

Animals in meetings – A GSR asked the area for guidance regarding animals being present in NA meetings. The Treasure Coast Area Chair indicated that the ASC has no opinion on animals being present in NA meetings. It was suggested by multiple GSR's that the group consult the facility regarding their rules or regulations regarding animals in the facility. It was also suggested that the group honors the facilities rules/regulations/wishes in making any determinations on whether or not animals are allowed to be in NA meetings. Other GSRs also suggested that any issues around animals being in NA meetings are addressed at the group's business meeting by the group conscious. Some discussions around whether specific animals, such as service animals, are allowed in NA meetings was discussed. If a group desires to describe the meeting as "pet friendly" or makes a specific designations regarding animals in the NA meeting, it can be input on the meeting list. Each meeting group in the ASC is responsible for their decisions regarding animals in NA meetings.

Announcements:

- After two consecutive absences the group will lose voting participation, and will not be included in quorum. To regain voting participation, and its place in quorum, the group must participate in 2 consecutive ASC meetings. Please refer to ASC policy for more information. "*" indicates that the

home group has been removed from quorum.

Old Business:

- Prior Month’s meeting minutes were approved by majority vote.
- The following positions are open on the ASC: (See the ASC Policy for qualification requirements. Please encourage members of NA to participate in Area Service. They can volunteer or be nominated.)
 - Alternate Secretary
 - Alternate Web Site
 - Alternate Helpline Chair
 - PI Chair

Motion #1:	To temporarily postpone donations of 7 th tradition funds from ASC to region until resolution of FIPT Inspection Report is found.
Motion Maker:	Activities Chair
Second:	GSR; Came to Believe
Intent:	To ensure group and subsequent NA Members are not funding items outside of expected uses. I.E. – Format Announcements.
Point of Information:	Requestor: Acting Secretary Information Requested: How much does Treasure Coast NA ASC donate to the Region? Information Provided: \$1,000 was provided in August. Another response indicated that donations were between \$1,000 and \$2,000.
Point of Information:	Requestor: Acting Secretary Information Requested: Once the money is donated to the Region, is there any way for the Area to prescribe how the donation is used. Information Provided: No.
Point of Information:	Requestor: 10 th Street Group GSR Information Requested: What is the process of donating money? Information Provided: Alt. Treasurer indicated that after the areas expenses are paid, there is a donation that is made. RCM also indicated that Treasure Coast does not take a check with them to each Regional Service Committee Meeting. Acting secretary noted that without the Treasurer present, that the RCM will not likely be taking a donation to region this month.
Pros:	1. It doesn’t hurt the addict. Groups and Areas are responsible for the suffering addict. It is a temporary measure and not a violation of policy. 2. We know what is going on with the money, if it is kept at the area level.
Cons:	1. Only a portion of 7 th tradition donation is used to support the issue. Not all of the money goes toward an attorney. Money is used for other matters. 2. All of the Area’s 7 th tradition donations do not go to NA World Services. Money is also used at the Regional level.
Motion Status:	A motion to postpone the vote for this motion was proposed, but found out of order. The vote was cast as follows: For: 10 Against: 11 Abstain: 1 Not Approved by majority vote.

Motion #2:	To amend H&I policy to read, "Treasure Coast area will donate a case of Basic Texts every June and December to be given to H&I facilities as needed. Current General Policy item 11 states, " Treasure Coast Area will donate a case of Basic Texts (36) every June and December to be divided evenly between Okeechobee, St. Lucie, Indian River, and Martin County jails. Giving 12 books to each facility."
Motion Maker:	GSR, Rebellious by Nature
Second:	GSR, One Message
Intent:	More evenly distribute literature to facilities as needed
Pros:	<ol style="list-style-type: none"> 1. There is a surplus of texts that are not currently being distributed to jails. 2. H&I can distribute literature to facilities other than the jails.
Cons:	<ol style="list-style-type: none"> 1. Literature can be distributed to for profit institutions. (It does not mean that they will be.)
Motion Status:	Approved by majority vote.

TCCNA IX Final Area Report  
December 2017

The TCCNA committee has finalized the “Stick to It” TCCNA IX convention. We had a good turn out for the three day event, but smaller than our last one in the same three day format. We had hoped the convention turn out would be bigger, not smaller. The feedback from the area members who offered it, and those from out of town was that it was a great message and a good time. We are grateful for those who did turn out and attend.

Our finances are not as strong as we had hoped. We have an all expenses paid final balance of \$4664.61, heading into TCCNA X with a shortage of \$335.39. It is customary to make a donation to the Treasure Coast Area of monies in excess of our prudent reserve. Unfortunately there is not a donation this year.

We have a committed committee that is ready to begin the works of TCCNA X. The vote at the convention regarding our next theme was decided by a good margin. The theme of TCCNA X will be “NEVER ALONE, NEVER AGAIN” .

We have a motion to present to Area, for the position of Chair for our next convention. The committee has nominated Leigh [who qualified for the members and meets the “job description” of our guidelines. It is hoped that the Area will send this nomination out to groups for a vote in January. We have the next TCCNA committee meeting scheduled for January and hope to have the results of the GSR vote then, to begin our work. We have many fundraising ideas in the works.

We are always seeking new members and trusted servants and hope to be up and running with our new committee and fundraising activities by February. Please come out an join us. Bring your ideas and your energy to make this next convention shine!!

One of the first events will be the LOGO contest [Winner receives a convention registration]. We are seeking all ideas for artwork to use with the “NEVER ALONE, NEVER AGAIN” theme. Full details and timelines to follow soon!!

The next meeting is January 16th at St Mary’s , at 6 pm.

Hello everyone, during our subcommittee meeting on Sunday some decisions were made regarding the FCR panel coordinator. Rani has been elected panel coordinator for FCR. Ray and Shawn became panel leaders for Martin Co. mens and Hillary has become a panel leader for New Life. Thank you so much for stepping up everyone, and continuing to consistently bring the message of N.A. to our facilities.

Revive Detox has closed down, so we have 14 facilities we are currently serving in our treasure coast area. Please don't forget the DO's and DON'T's and orientate your panel leaders and panel members, speakers.

We will be rewriting our policy this month to include all the new amendments so that we can start fresh for 2018. Thanks again everyone for your service and for allowing me to serve as well.
