Hello everyone, during our subcommittee meeting on Sunday some decisions were made regarding the FCR panel coordinator. Rani has been elected panel coordinator for FCR. Ray and Shawn became panel leaders for Martin Co. mens and Hillary has become a panel leader for New Life. Thank you so much for stepping up everyone, and continuing to consistently bring the message of N.A. to our facilities.

Revive Detox has closed down, so we have 14 facilities we are currently serving in our treasure coast area. Please don't forget the DO's and DONT's and orientate your panel leaders and panel members, speakers.

We will be rewriting our policy this month to include all the new amendments so that we can start fresh for 2018. Thanks again everyone for your service and for allowing me to serve as well.
